

Lot Of 18 Antique Hand-forged Hinges From The 18th Century For Doors Or Shutters

720 EUR

Period : 18th century

Condition : Très bon état

Material : Wrought iron

Length : 63 cm

Width : 4,3 cm

Depth : 0,7 mm

Description

Very nice lot of old hand-forged hinges, 18th century period, magnificent in the context of a demanding restoration for old doors or exterior shutters.

Good lengths: 14 units of 63 cm and 4 units of 62 cm long (excluding hinge) - width 4.3 cm - hinge diameter 18mm - steel thickness 7mm

High quality old materials with an incomparable finish, nothing to do with Chinese steel in the smooth and soulless plastic way

Price of the lot EUR720 cleaned as on the photos
