"silene" Bronze Sculpture 19th Century

1 300 EUR

Period : 19th century

Condition : Très bon état

Material : Bronze

Height : 63

Description

Sculpture representing Silenus, the satyr personifying drunkenness who adopted Dionysus. Replica of a Roman bronze unearthed in Pompeii in 1863 and preserved in the Archaeological Museum of Naples. The crown decorated with palmettes worn by Silenus must have held a terracotta container containing wine, or an oil lamp. Beautiful bronze of good quality, patina in very good condition and of beautiful size 63cm.
