

18th Century Marine Painting Caulking Ships

2 800 EUR

Period : 18th century

Condition : Très bon état

Material : Oil painting

Description

Superb and large animated marine oil painting from the 18th century. It represents some sailing boats on the shore with characters practicing caulking. Superb work of document where we can admire the work of the details of the rigging. The whole is in shades of gray, the touches of color are represented by the characters. Scene of daily work in good condition, painting relined and presented in an old gilded wood frame.
