A piece of curiosity that this white rabbit head with sulphide eyes, very expressive from the house Mansiola, Italy. Of a beautiful chestnut colored material and argued for the cover of vagus of generous bay leaves in a thousand sheets from which an insolent little white rabbit sticks out its head while observing you with its beautiful lively sulphide eyes ... The white enameled interior of this piece of the oven is oval and decorated with a round of patterns in the manner of a puff pastry. This piece is beautiful and healthy, having resisted the oven and its high temperature, in good condition it reaches us signed and proud of its Mandeli brand (Italy of the 60s). Decorative as desired, this amusing and quaint terrine has everything to seduce the eyes before the taste buds if one dares to use it as it
