## Pocket Watch Fusee And Detached Lever Escapement, Stop-watch, 1824

900 EUR

Signature : Haynes

Period : 19th century

Condition : Très bon état

Material : Sterling silver

Diameter : 53mm

Description
-------------

English Pocket watch "J. Haynes" with fusee and detached lever escapement, year 1824.

The advantages of this escapement is the fact that it is precisely a "detached" escapement that allows the balance to swing completely free during most of its oscillation by improving the accuracy of timing.

High quality full plate movement with dust cover signed J. Haynes", English fusee and detached lever escapement with transparent jewels stopped with screws.

Engraved cock.

In working order.

On the dial corresponding to number 7 there is a
