### Description

Sample of marbles and hardstones from the second half of the 19th century, set within an intricately carved and gilded frame. The piece has a vertical structure (h. 70 cm, w. 31 cm), featuring a series of oval inlays in various types of marbles and hardstones, secured with pitch. The wooden frame is adorned with an elaborate pattern of scrolls, acanthus leaves, and floral elements, and is entirely gilded with gold leaf. Some carved details are missing, showing signs of time and use.
