Bigo Floor Lamp By Luce Valenti In The 80s

750 EUR

Signature : VALENTI

Period : 20th century

Condition : Très bon état

Material : Metal

Description

Italian telescopic floor lamp model Bigo designed by Valenti for Valenti Luci. The floor lamp is equipped with a system of telescopic tubes that allow the column to be fixed between the ceiling and the floor. The total height of the tubes can vary between 277 cm and 315 cm. The horizontal rod as well as the disc-shaped reflector can be rotated in all directions. The light can be adjusted to different intensities
