

## Africanist Sculpture 'scarified African Woman's Bust Or Face' In Palm Wood, Ca 1950

650 EUR

Period : 20th century

Condition : Parfait état

Material : Solid wood

Width : 15

Height : 35

Depth : 13

### Description

Bust sculpture of an African woman of remarkable quality, made of an exotic wood that appears to be palm, dating from the 1950s. European work. It is mounted on an original blackened wooden base and represents a bust or face of an African woman with scarifications and hair in falling braids. Signature on the back, unfortunately we have not found anything on the artist.
