

## Art Nouveau Photo Frame In Naturalist Style With Laurel Leaves And A Swallow

140 EUR

Period : 20th century

Condition : Bon état

Material : Metal

Width : 13.5 cm

Height : 18 cm

### Description

This bucolic decoration is made of polychrome metal and arranged at the bottom like a low wall covered with climbing ivy among which a swallow is embedded. A frame from the turn of the last century in the naturalist taste, this movement from which Art Nouveau with more elaborate forms later developed. The original protective glass is chamfered and at the bottom left there is an invisible chip because it is hidden by the vegetation. Dimensions for the photo 17 x 11 cm
