Description

Introducing a stunning pair of Louis XV style bedside tables, crafted in Italy during the latter half of the 20th century. These exquisite pieces are made from rich walnut wood, featuring intricate inlays that highlight their elegant design.

Characterized by their gracefully curved lines and slender legs, these bedside tables exude a timeless charm. The captivating floral decoration adorns every side, creating a visual feast that draws the eye and enhances any decor.

Adding to their allure are the decorative details in finely chiseled gilded bronze, which lend a touch of refinement without overwhelming the overall aesthetic.

Functionality is also key, as each bedside table includes three small drawers, perfect for storing essential items neatly and conveniently.

While they are ideal companions for a bed, their elegance allows for versatile placement in various rooms throughout your home, ensuring that their beauty can be appreciated by all your guests.

In excellent condition, these bedside tables are ready to find a new home and enhance your living space with their sophisticated style!
