2 Porcelain Glove Molds

480 EUR

Period : 20th century

Condition : Très bon état

Material : Earthenware

Height : 28 et 38 cm

Description

Rare 20th century earthenware glove molds. They were used to make gloves, and the numbers on them indicated the sizes. Today, eight of them are decorative objects, traces of the past, and curiosities. One is 28cm tall and the other 38cm. In good condition.
