

Pair Of Pink Opaline Oil Lamps, 19th Century

3 200 EUR

Period : 19th century

Condition : Très bon état

Material : Opale

Description

Pair of pink opaline oil lamps, dating from the 19th century. These elegant lamps feature a brass structure and a refined decoration of hand-painted garlands and bows, embellished with gilded threads. The frosted glass globes are finely engraved, bringing a touch of finesse and refinement. These authentic and decorative pieces fit perfectly into a classic interior or a collection of art objects. Height: 77 cm
