Material : Walnut

Width : 106 cm

Height : 192 cm

Depth : 49 cm

### Description

Pure Louis-Philippe style ogee model in walnut veneer and burl dating from the mid-19th century. There are two drawers, one of which is in the plinth, which provides additional storage capacity. The four shelves are adjustable in height thanks to the presence of racks. The locks are functional and each have their own key. Its height is 192 cm, its width 106 cm at the level of its ogee and its depth 49 cm. Solidly built, this display cabinet is ideal for displaying dishes or trinkets and can also support a significant weight when used as a bookcase. The blond walnut and its reasonable size also allow it to be installed in a room with reduced dimensions without mass effect, and its sober line will match most traditional or more contemporary interiors. This display cabinet-Bookcase has been completely
