Description

Superb Napoleon III period sideboard in bone, brass and mother-of-pearl marquetry. Topped with white marble framed by a gilded brass ingot mold, this piece of furniture opens with a large door revealing a stepped interior completely veneered with amboyna burl. A typical example of these magnificent Napoleon III pieces of furniture, ours features exquisite marquetry with a few small animals roaming around... (see photo) Entirely refurbished in our workshops, this piece of furniture exudes great presence. More photographs on request
