Description

Art Deco table from the early 1900s. Oval in shape, the top is worked in segments along its entire circumference, with the insert of ebonized cylinders, the central support leg is made from a large panel with a perforated wheel in the center with spokes and ebonized spheres, on the sides three uprights per side, made of walnut, turned and carved with leafy tufts, resting on ebonized spheres. The entire surface is veneered in walnut root, with carved inserts in walnut and ebonized walnut. Small missing parts.
