Description

Blown Murano glass candlestick composed of: four candle holders, eight leaves and four flowers with details in blue and light blue. The whole object measures 34x34x43 cm.Murano glass has a long history dating back to Roman times. One of the important historical features, which make the pieces unique in the world, is the absolute uniqueness of the workmanship of these objects, which are created only and exclusively in this area by means of peculiar techniques that have remained unchanged over the centuries.The state of preservation is excellent.
