

Nodding Head Cat Playing Mandolin

150 EUR

Period : 20th century

Condition : Très bon état

Material : Lead

Width : 4 cm

Height : 8.5 cm

Description

Small polychrome lead figurine from the first half of the 20th century, here is a charming little musician cat, an aristocat before his time. And a real entertainer, indeed, the asset of this kitty with the mandolin is its head which nods since it is separated from the rest of the body by being suspended between the shoulders with the help of two small rods allowing this effect of a tilting head. Shipping in France and internationally, contact me for terms and conditions
