Description

Pair of Art Deco 18ct Gold Stud Earrings with detailed milgrain work. A triangular blue sapphire is set in the lower half, with two small pearls. The backs of the earrings are yellow gold. The earrings are rich in milgrain detail, thus imitating diamonds. There is intricate engraving on the sides. There is a rose-cut diamond on one earring, missing on the other, but not visible due to the milgrain detail. The earrings are almost "huggie" shaped, that is to say they are slightly curved, see photo. One earring on the back has a support on the post. All in good condition and very wearable. No hallmarks, tests as 18ct Gold. Length: 2.6cm Width: 9mm Weight: 3.9g Comes with a Guarantee Invoice and in a new box. Free postage in France.
