Description

In this world of round candy boxes, here is finally an oval model. They were very fashionable in the first half of the 19th century and its romantic spirit, this spirit is also present in this painting fixed under glass representing a castle tower or a dovecote attached to a bridge in a lake landscape surrounded by conifers. This fixed under glass is circled with brass and the box is made of cardboard with a gilded and embossed edge. Shipping in France and internationally, contact me for terms and conditions
