

## Pair Of Consoles By Jean Baptiste Befort, 1820

38 000 EUR

Period : 19th century

Condition : Très bon état

### Description

Superb pair of Restoration period console tables, attributed to Jean Baptiste Befort (France, 1783-1840). Made of ebonized wood, they feature sumptuous Boulle marquetry, characteristic of 19th-century refinement. Adorned with gilt bronze applications, these pieces demonstrate exceptional work in the art of French furniture. The marble top enhances the whole, adding a touch of elegance and sophistication. Dimensions: 111 x 111 x 35 cm
