

Longchamp Earthenware Asparagus Serving Set

380 EUR

Signature : Longchamp

Period : 19th century

Condition : Parfait état

Material : Earthenware

Length : plat de service 39 cm

Diameter : 25 cm

Description

Made from Longchamp earthenware from the late 19th century, this service is just in time, as the asparagus is beginning to show its delicious tips. A trompe l'oeil effect, here are asparagus spears in relief designed to accommodate others for 10 plates accompanied by their serving platter. All around these vegetables, flower beds brighten up these pieces. Shipping to France and internationally, contact me for details.
