Neoclassical Sideboard

8 800 EUR

Period : 19th century

Condition : Très bon état

Width : 1,58m

Height : 1,39m

Depth : 0,58m

Description

Neoclassical style sideboard in amboyna burl, opening with two doors and revealing around fifteen mahogany drawers with bronze knobs and handles. The drawer fronts tilt onto the nine drawers in the upper part, the six large drawers at the bottom can accommodate file storage. All the drawers operate very easily thanks to casters. This piece of furniture features a fresco on ebony depicting charioteers and their Roman chariots and a central decoration in a medallion with a cherub playing the flute.The column uprights are decorated with gilded bronze women's heads. The top is made of green marble. This sideboard is of very high quality cabinetmaking. DIMENSIONS: 1.58m wide, 0.58m deep and 1.39m high. Small drawers: 37cm x 12cm and 38.5cm deep Large drawers: 37cm x 27cm and 38.5cm deep Delivery
