Description

Véronique Wirbel (1950-1990): "La promenade", pastel in tondo on thick paper 95.5 cm bearing the studio stamp. There are encounters that, in hindsight, seem obvious to you. This is the case with the work of Véronique Wirbel, who tragically passed away at barely 40 years old, teeming like a child's imagination, colorful like the fabrics of Africa that she knew well having spent her childhood there and communicative of a joy that apparently, alas! she did not share... Of course, we could find her relatives with Corneille, Basquiat, James Brown or Aloïse, but she was Wirbel, quite simply. This drawing comes from the studio of the Artist that we were lucky enough to acquire and that we will gradually prepare and put up for sale. We are constantly looking for the works of this artist.
