Description

rare series of English paintings by Sartorius.
Beautiful series of the life of the horse, painted in oil on canvas, with original gilded wooden frames. The paintings are relined, they are in good condition, we acquired them in this state, and we have not touched them. They are by the English painter John Nost Sartorius (1759-1828). He was a painter of horses, races, hunting and descends from a large and prolific family of painters, he perhaps the most famous. The small dimensions (cm31*24.5 - with frame cm 40*33.5) make them precious and allow you to color them on all walls, even the smallest. We deliver throughout Europe with professional packaging.
