

## Nine Little Roaring Ducks

250 EUR

Period : 19th century

Condition : Très bon état

Material : Earthenware

Length : 12

Width : 6.5 cm

Height : 6

### Description

I wonder if the women in labor enjoyed the drink or if the broths and other revitalizing juices were not good... In any case, these nine earthenware ducks do not ask the question, they are content to parade on the shelf
