

Empire Period Fireplace Bar In Gilt Bronze 19th Century

1 350 EUR

Period : 19th century

Condition : Très bon état

Material : Bronze

Description

Finely chiseled and gilded bronze fireplace bar, mercury gilding, with rich decoration, the central motif in a horn of plenty, the two side parts slide and can be adapted to the size of the fireplace. Rare model, of quality, sober and elegant, reminiscent of the work of Ravrio or Galle. Work from the Empire or Restoration period, from the 19th century around 1815-1820.
