

Malouine Chest Of Drawers

5 500 EUR

Period : 18th century
Condition : Parfait état
Material : Mahogany
Length : 131
Height : 84.5
Depth : 63

Description

A beautiful Saint-Malo chest of drawers, known as "Régence" chest of drawers, made of solid mahogany. The front is cut in the shape of a crossbow resting on crowbar feet. The British-inspired brass fittings are original, as are the iron locks. More photographs upon request
