Description

Beautiful and elegant worker from the very beginning of the 19th century, around 1810, in fine red mahogany with tight fiber from Cuba. It is composed of four magnificent column legs with base and capital in high quality gilded guilloché chiseled bronze, joined by a no less elegant low X-shaped spacer; the box of this beautiful side and companion table is fitted with a trapdoor with two small side boxes closing with a flap in the upper part in worker; and a drawer closing with keys, with spaces for inkwells underneath, this piece of furniture in very good condition is originally varnished with a tampon and is in pure First Empire style, precious moreover and of contained proportion and nevertheless furnishing with a beautiful presence of pure Neo-classical style in very good condition
