Description

Tapestry "The Lady and the Unicorn" - Medieval Style
A magnificent tapestry inspired by the famous medieval series The Lady and the Unicorn, depicting an iconic scene where a lady and her servant interact with a unicorn and a lion, surrounded by a rich floral background on a deep red field. This piece is a faithful reinterpretation of the 15th-century tapestries, renowned for their refinement and symbolism. The intricate details and vibrant colors make it an exceptional decorative artwork, ideal for a classic interior or a textile art collection.
