### Description

We present this exceptional cloisonné vase that we believe to be from China. Its particularity is that it is designed with sides on a base that is round, on each side a handle in the shape of an elephant's head and in a jellyfish decoration. It is in a dream condition. A mark in relief in the hollow of the base to identify. Object of undeniable quality and in a more than perfect condition. Beautiful patina of time. Perhaps Indochina. Weight 2.8 kg (E25)
