### Description

Oil on canvas, Italian school from the early 19th century, depicting a lively scene in a ruined landscape. We see a woman with a cauldron in her hand with a child stirring a fire, and not far away, two other children playing at throwing stones into a fountain under the gaze of the Father of the family. All in the ruins of a house decorated with stone vaults invaded by brambles and branches. In the setting, we see a mountain with a tower at its summit.
