### Description

Of a remarkable presence this pretty egg on tipode feet ornamented in lion's paw, resting on a generous high base following the movement, and decorated covered with a "canopy", the Egg itself in a pretty generous ovoid shape is ornamented with a chiseled ring making the link between the base and the top form the bell. The body of the egg being richly ornamented with ribs with a pretty pleated movement and of an incomparable regularity and retouching, this kind of beautiful table objects were a careful manufacture of a work of Bronzier Artist and Creator with undeniable know-how, the bell grip being a generous crown in ring of flowers perched on a grooved ball ornament; a piece of great decorative quality and a Neo-Classical spirit in the excellence of producing a beautiful decorative
