Description

750/°° yellow gold pendant (18 KT, eagle head hallmark) with a very vintage 70s aesthetic, by designer Pascal Morabito. Here we find one of the "signature" models of this jeweler, with a cube structure for solitaire mounting of a brilliant-cut diamond set in plexiglass, offering a beautiful volume that is light to wear. The very refined cubic and rectilinear structure of the pendant is evident in its general design, its vintage aesthetic is also found within the bail, also cubic on its profile.....this bears the signature of the jeweler. Estimated diamond weight of approximately 0.04 caratGross weight: 1.26 gNB: Presented on a yellow gold square section Venetian mesh chain, not included, sold in our store under the reference ES6008Condition: like many of these vintage jewels, the plexiglass of
