

18k Gold Ring With 1 Carat Heart-shaped Diamond

9 800 EUR

Period : 21st century

Condition : Parfait état

Material : Gold

Description

This sublime 18-karat gold ring, weighing 16.70 grams, is a true masterpiece of jewelry. Its domed shape, imbued with luxury and elegance, makes it a remarkable piece for any collection. Carefully crafted, its open interior allows the skin of the finger to breathe and offers exceptional comfort for everyday wear. The highlight of this magnificent ring is a superb heart-cut G color diamond, totaling 1 carat. This refined diamond not only adds a touch of sparkle, but also enhances the ring, giving it a new level of sophistication and elegance. Perfect for all special occasions, this ring is a testament to timeless beauty and exceptional craftsmanship.
