Description

A thimble for sewing... In solid silver...
Controlled with a boar's head... That is
800/1000... And a silversmith's hallmark,
illegible...! FRENCH origin... From the 1900s...
One of the models from La Fontaine's fables...
There "the crow and the heron"... Not pierced but
some slight deformations at the entrance... And
it's really not serious...! Weight ... 5 gr 6
