Black Glazed Hydria, Magna Graecia, 4th Century Bc Ancient Greek Vase

3 800 EUR

Period : Before 16th century

Condition : Bon état

Material : Terracotta

Height : 32

Description

Large Hydria with black varnish. Magna Graecia, Italy , 4th century BC. Orange terracotta with black varnish. Height: 32 cm. Condition: old restorations, reglued, repainted. Can be the subject of a resumption of old restorations with a modern restoration or be kept in condition which remains quite impressive by the size and the visual rendering. Piece of character which fits well in a classic interior as well as a very modern one. Provence: former collection of a French diplomat in Rome.
