Description

Very beautiful original old poster by David Dellepiane (1866-1932), French painter and lithographer of Italian origin - he was born in Genoa - on the occasion of the 1922 Colonial Exhibition in Marseille. The poster is in good condition. It has never been folded or restored. However, its margin is slightly creased in places and the poster, protected by a window since the 1990s, is slightly creased and warped.
