Painting Portrait Of A Young Aristocrat Circa 1840

3 700 EUR

Period : 19th century

Condition : Bon état

Material : Oil painting

Width : 70 cm

Height : 84 cm

Description

Important painting from a French school of the 19th century, circa 1830. Oil on canvas with oval view representing a young aristocrat in a very beautiful Louis XIII frame in gilded wood and carved with oak leaves and acorns (XIXème). A label at the bottom of the painting and on the stretcher mentions Clémentine STEVENIN Baroness of SAUVILLE. She is nicely represented, seated with a large white shawl (very well rendered), gloved, against a mountainous landscape,lake and castle. High quality painting, on its canvas and period stretcher, unsigned. In good condition. There are 4 old restorations on the back. Format with frame: 84 x 70 The canvas: 69 x 56
