Description

This beautiful pair of 18k rose gold earrings features a stunning white quartz surrounded by diamonds. Their gold weight of 3.80 grams is a testament to the quality and value of these earrings, a precious metal that brings a gentle warmth to the ensemble. The white quartz, measuring 1.8 cm long and 0.2 cm wide, is the centerpiece of these earrings. Its pure white hue brings a touch of light and clarity, creating a striking contrast with the rose gold and diamonds. Surrounding the white quartz, 0.36 carats of diamonds give this creation a brilliant sparkle. These diamonds are of exceptional quality which adds an extra touch of luxury to these earrings, creating a shimmering halo that will enhance your natural beauty. The total weight of the earrings is 11.3 grams, ensuring a comfortable and elegant
