

Bronze Box And Shibuichi Japan Meiji Period 19th Century

700 EUR

Period : 19th century

Condition : Très bon état

Material : Bronze

Diameter : 13,4cm

Height : 5,5cm

Description

This large round box in Japanese patinated bronze is decorated on the lid with three figures, two musicians in movement and a dancer with a fan, in relief of mixed metals using the Shibuichi technique. In the background, an engraved decoration suggests a landscape and grasses. Golden circles represent bubbles. The rim is decorated with a gilded, animated circle. Some signs of wear inherent to its age. Japan, Meiji period circa 1880. Diameter 13.4cm, height 5.5cm Weight 450g
