Refined oil painting on canvas depicting an elegant 18th century gentleman, dressed in a rich dark suit adorned with a shirt with lace jabot. The man, with curly and powdered hair according to the fashion of the time, is caught in a cultured and thoughtful attitude, sitting at a desk with a quill pen in his hand, while he seems intent on writing on a document. The dark background highlights the bright face and detailed clothing, while the balanced composition and attention to detail in the clothing and furnishings suggest the influence of aristocratic portraiture of the time. The work currently needs cleaning, which our professional restorers will provide in the next few days. The indicated price does not include restoration.
