Description

Pair of bronze lamps from the First Empire period with modern electrification system. Very pretty pair composed of two period feet in gilded bronze with fine gold on one side and on the other side a patinated part thus creating a contrast. Note the fineness of the chiseling of each element and the incredible condition of the period gilding. Pieces to be positioned symmetrically on a piece of furniture to create a beautiful luminous decoration Possibility of sending in France and worldwide by secure and insured package with order and delivery tracking. Invoice and certificate provided.
