

Pair Of Big Wooden Shelves

3 000 EUR

Period : 19th century

Condition : Bon état

Material : Painted wood

Height : 184 cm

Depth : 38 cm

Description

, 19th century. Elegant pair of wooden shelves, carved, painted and gilded, characterized by a refined classic decoration. Each element has a solid base, a shaft decorated with a golden interlacing motif on a dark green background and a capital richly carved with scrolls, floral elements and golden details. The upper part, decorated with a dentil frame, allows you to support large busts or vases. Dimensions: height: 184 cm - depth: 38 cm
