

## Square Farmhouse Coffee Table (refurbished)

410 EUR

Period : 20th century

Condition : Restauré par notre atelier

Material : Pine

### Description

Antique square farmhouse coffee table. Materials: solid pine. Features: This farmhouse coffee table is an old dining table. It is almost square in size. It has a drawer on one of its sides. Renovation: The farmhouse coffee table has been completely sanded, then lightly patinated. Its top is protected with a colorless matte varnish. The rest of the base is made of raw wood. Note some traces of life on the top, completely normal given the age of the table, and which give it its little extra charm. Dimensions: L105 x D96 x H43 (30 under the band). This farmhouse coffee table is to be adopted very quickly if you are looking for a large, rare table with a chic country charm.
