

Pair Of Oils On Wood - 19th Century Countryside Landscapes

1 400 EUR

Period : 19th century

Condition : Bon état

Material : Painted wood

Width : 64 cm

Height : 47 cm

Description

Lovely pair of oils on wood from the first half of the 19th century. One depicting a scene with a bell tower and the other a pasture in the traditional style of the French or Italian school of the time. Beautiful quality of painting and lovely execution of the foliage but also of the treatment of the characters all in transparency on oak panels. Good condition, slight losses to the frame
Dimensions Without Frame: Height 38 cm Width 54 cm
