

Lanvin Space Age Necklace Circa 1970

1 000 EUR

Period : 20th century

Condition : Très bon état

Material : Brass

Description

Circa 1970 Paris France Imposing and iconic Lanvin logo pendant necklace dating from the early 1970s from the Space Age period. Large shiny gold-plated brass medallion choker in the shape of a drop. Cabochons of large half pearls in black and pearly Bakelite, circled in gold-plated brass. Thick sliding rubber cord covered in black wool stretch with brass clasp. Engraved metal claw on the back of the necklace indicating Lanvin Paris. Very beautiful collector's item. Guaranteed Modernist effect! Some really imperceptible micro-scratches otherwise very good condition of color and preservation. Dimensions: Necklace length 15 cm Neck circumference 48 cm. Medallion 10 cm high x 11 cm wide.
