### Description

Oil painting on canvas from the end of the 19th century, beginning of the 20th century, of Italian origin, depicting a still life with flowers. Painted on a dark background, this still life is characterized by a good compositional balance with various types of brightly colored flowers in a vase resting on a table. It is very inspired by the still lifes typical of the end of the 17th century, beginning of the 18th century, with very bright and bright colors. The painting is on the first canvas and has no restorations and is inserted in its original frame of the time. PERIOD End of the 19th century Beginning of the 20th century DIMENSIONS With frame L. cm 85 x H. cm 97.5 canvas size L. cm 52 x H. cm 64 CONDITIONS Good state of conservation
