Oil painting on hardboard from the 1940s depicting a view of the city. Work dated 1944 and signed lower left with a signature to identify. Very interesting landscape with a lively scene in front of a flea market store with a typical 1930s automobile. Note the use of a very light and contrasting palette giving a certain decorative presence. Very good format 89 by 66 cm allowing to dress a large panel. Possibility of sending in France and worldwide by professional and specialized carrier. Invoice and certificate provided.
