

Cameo : Profile Of Of A Bearded Man, Wearing A Helmet And A Radiate Crown - 17th Century

350 EUR

Period : 17th century

Condition : Très bon état

Description

Beautiful cameo representing the profile of a bearded man, wearing a helmet and a radiate crown. 17th century. 17 x 13 mm. 1.28 g. The representation is unusual and may be reminiscent of the portraits of Pyrrhus I, the elder. Charming cameo with a nice patina.
