

Gold-emerald Ring

950 EUR

Period : 20th century

Condition : Bon état

Material : Gold

Description

18K yellow gold ring (eagle's head hallmark and master's mark) adorned with a cabochon emerald engraved with a floral motif; the stone is held on each side by 3 fine rings decorated with rolled motifs which then join the main ring. Inside the ring, the first name "Henri" is engraved; it can of course be erased if desired. PB: 6.7g TDD: Good condition.
